Herb Charts

The Herb Cottage's Herb Chart, suggesting herbs to use in various soups and salads, and in poultry, fish, egg, cheese, meat and vegetable dishes, is very popular and is particularly helpful to the cook who may be a beginner at cooking with herbs. The chart, which is sold at the Herb Cottage unframed only, measures about 14½" x 17". It has an attractively colored border which will blend with any kitchen color scheme. The prices are as follows:

1 chart (including mailing tube and postage)	\$.50
5 or more charts—35c each, <i>plus</i> postage and a 25c packing charge	
25 or more charts—25c each, <i>plus</i> postage and a 25c packing charge	
Purchased singly here at the Herb Cottage, the chart is	.35
Frames for herb charts, unfinished (sold separately)	2.50

We ask that these charts not be resold for under 50c each.
